

SAMPLE KIT

PLEASE INSPECT THE KIT upon receipt to ensure that nothing is broken, damaged or missing. If anything is broken or missing call **ECM Services IMMEDIATELY** so that we can arrange for shipment of replacements.

YOU WILL RECEIVE ONLY ONE SAMPLE KIT during the 2003-2004 Wet Season. Inspect your Kit to ensure that the Kit contains all of the following:

- a. Ice chest (Styrofoam lined cardboard box) and Ice pack: ***Do not damage, destroy or dispose of ice chest.*** The ice chest will be re-used to store and ship your stormwater samples back to the testing laboratory;
- b. Sample Containers and Labels . Refer to **Table 1** for a list of sample containers for **CADG SMP members**. Refer to **Table 2** for a list of sample containers for **WMG SMP members**;
- c. Return Shipping Label from BSK Labs;
- d. Return Shipping Manifest for California Overnight from BSK Labs; and
- e. Packing materials

Immediately upon receipt of this kit remove the ice pack from the inside of the sample kit and place the ice pack into a freezer.
